Hi Councilor Jeca,

We would like to ask for your help to make a donation for our Laptop Drive project to help those students who don't have a laptop but are still eager to continue their study.

A lot of students have a problem because of the pandemic we are facing right now, this is the reason we came up to this project and we want to support them as much as we can. We need your help to accomplish our goals and objectives. Your donation will be highly appreciated and we will use it properly.

We would very appreciate your help in any way you can, and you can contact me directly on the contact details written above. Thank you for your time and keep safe always.

Regards,
